These warranties extend to normal usage when the door has been installed and maintained in accordance with manufacturer's instructions. Proof of purchase is required. Any charges for freight, removal, installation, or labor shall be the responsibility of the original purchaser. **REPAIR OR REPLACEMENT OF SPECIFIED PARTS IS THE SOLE REMEDY OFFERED BY THIS WARRANTY. IN NO EVENT, SHALL AMARR BE LIABLE FOR CONSEQUENTIAL OR INCIDENTAL DAMAGES CAUSED BY OR RESULTING FROM DEFECTIVE GARAGE DOOR SECTIONS OR HARDWARE.**

Limited Warranty for Amarr Steel Garage Doors

If your Amarr steel garage door sections rust through because of the paint finish cracking or peeling, Amarr will repair or replace those sections for the warranty period listed in the Limited Warranty table above. Surface rust, chips or scratches in the paint, which result in cosmetic or surface corrosion, are not covered in this warranty.

If an Amarr steel garage door is located less than 1.25 miles from salt atmospheres, the limited warranty for paint finish color change and chalking is only covered for one (1) year from date of purchase by the original owner, and garage door surface rust or section rust-through is not covered.

An Amarr steel door is pre-painted with a factory-applied finish, but the door will accept a wide variety of commercially available **100% acrylic latex** exterior house paints, when applied in accordance with the paint manufacturer's recommendations. However, no warranty of paint compatibility is made or implied. **DO NOT USE OIL BASED OR ALKYD PAINT.**

For all Amarr steel garage door models, if any section, part or hardware, excluding glass, frames, inserts, and perimeter seal, is defective in material or workmanship, Amarr will repair or replace it for the warranty period listed in the Limited Warranty table above. The hardware warranty applies to standard lift and low headroom applications only (not to hi-lift or vertical lift).

For all Amarr steel garage door models, if any DecraGlass™ window is defective in material or workmanship, Amarr will replace or repair the window that is defective for 10 years from the date of purchase to the original purchaser.

Limited Warranty for Wood Garage Doors

Amarr warrants that Amarr wood sections will be free from defects in materials and workmanship as verified by Amarr personnel upon inspection. If defective, Amarr will repair or replace those wood sections for the warranty period listed in the Limited Warranty table above. This warranty excludes the glass and the decorative hardware.

Amarr wood doors are specialty wood products that have natural wood variations that enhance its natural beauty. Due to the differences in natural wood characteristics, the uniformity of wood section color and grain is not warranted. Some splitting and cracking may occur as a natural characteristic of wood. This is not a factory defect and is not covered under warranty. Wood doors require special finishing and care, both prior to installation and during service. Failure to follow the finishing and care instructions will void the warranty. Within two (2) days after receipt of door and prior to installation, the door sections must be painted or sealed on all six (6) sides of each section with exterior grade primer and paint or exterior grade stain and sealer. Damage caused by exposure to weather prior to finishing is excluded from this warranty. Damage caused by not allowing proper drying time or proper separation from contact between sections before drying is excluded from this warranty. After installation, it is the owner's obligation to periodically inspect the door finish. Damage caused by failure to refinish installed door is excluded from this warranty. Detailed information for finishing and care is available on www.amarr.com. No warranty of paint or stain compatibility is made or implied.
